Important: Clean the application surface and make sure it is free of dirt, dust, and grease before installation.

If you need a replacement part, please refer to the SKU options below:

- Tablet Holder Support Legs: SPTAB1FT

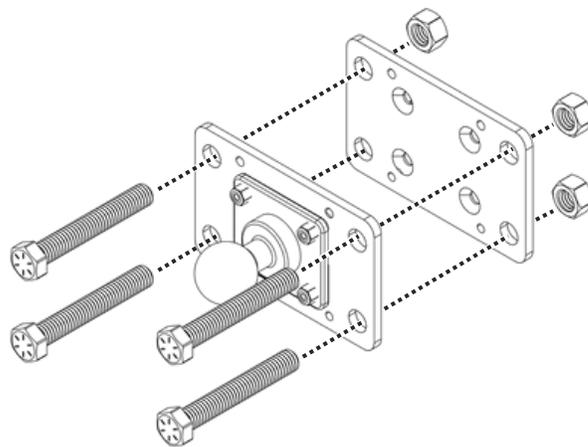

1 Attach the AMPS Adapter to the Mounting Plate

Position the AMPS adapter on one of the mounting plates and secure it in place using the screws and nuts included in the hardware kit.

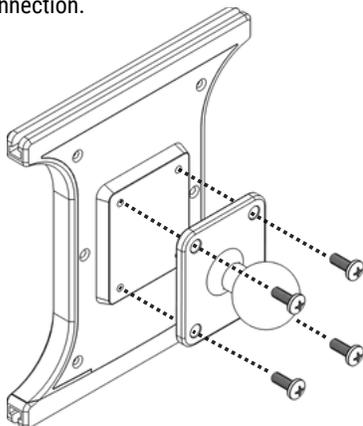

2 Mounting Plate Installation

Position the mounting plates against the designated area. Secure the plates in place while inserting the hardware.

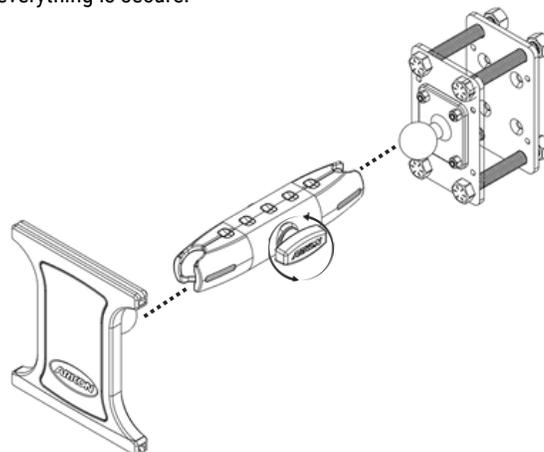

3 Install the AMPS adapter to the Holder

Align the AMPS 4-hole adapter with the back of the holder. Insert the four mounting screws through the AMPS adapter plate and into the holder, then tighten securely to ensure a firm connection.

4 Assemble the Components

Loosen the shaft arm by turning it counterclockwise. Attach the 25mm ball adapters to both ends, then tighten the shaft until everything is secure.

WARNING

CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system

Arkon® assumes no responsibility or liability for injury or death as a result of failure to install in a safe location. Arkon® is not responsible for any damages caused to vehicles, product, or people due to the installation or use of this product.

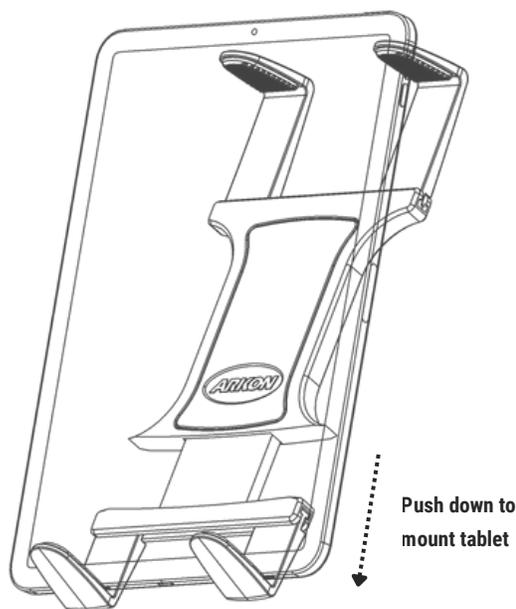

Tablet Holder Installation Steps:

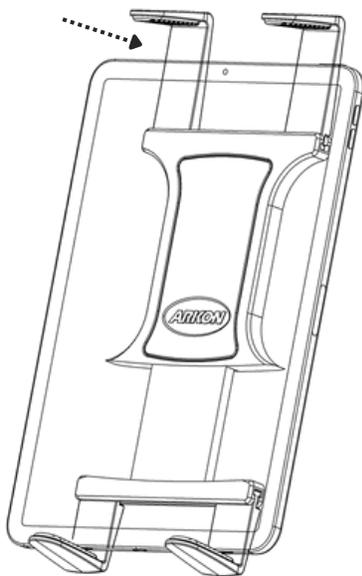

- 5 Installing the Support Legs**
 Select the appropriate support legs based on the size guidelines provided on page 1. Then, insert each leg into the designated support leg channel on the holder and slide it in until it fits securely.

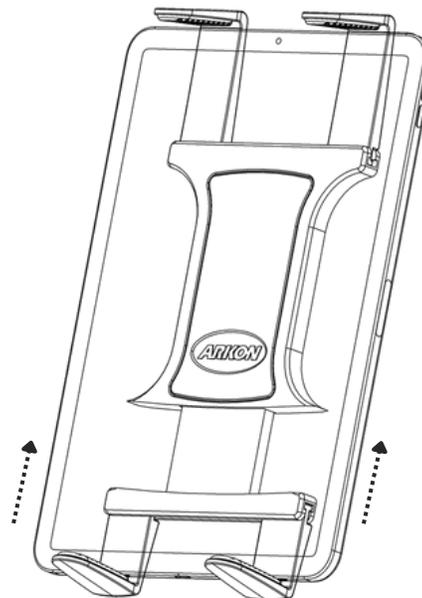

- 6 Extend the Spring-Load Mechanism**
 To extend the legs, insert one end of the tablet into the bottom support legs.

- 7 Install Your Tablet**
 With the holder's spring-loaded support legs expanded, lay the tablet flat on the holder.

- 8 Secure Your Tablet**
 Gently release the tablet into the holder, allowing the bottom spring-loaded support legs to secure the tablet.
