- 1** Clean the windshield area using an alcohol pad and allow it to dry. Press the pedestal suction cup (**A**) firmly onto the windshield. Lower the lever (**B**) to lock the suction cup in place.

- 2** Adjust the angle of the gooseneck (**C**) by using both hands to bend to the desired position. Carefully attach your holder to the pedestal by inserting the ball (**D**) into the Garmin holder cavity (**E**) (not included, sold separately). Adjust the angle and of the pedestal by loosening / tightening the wing nut (**F**).

**WARNING**

CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system

**WARNING**
