

Includes:

1 – Portable Tablet/Phone Stand (IPM-TAB1)

Important: Clean the application surface and make sure it is free of dirt, dust, and grease before installation.

1 Adjusting the Arm Angle

Raise the upper arm and bend it to achieve the desired angle.

2 Adjusting the Width of the Base Arms

To increase the width, carefully pull the two base arms apart until they are fully extended or reach your desired length. Make sure they are securely in place before moving on to the next steps.

3 Install your device into the stand

Place your device in the holder and push the top down to firmly secure your tablet in place.

WARNING

CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system
